What is Community Education?

Community Education is the educational philosophy that underlies community schools, and advocates the creation of opportunities for community members - individuals, schools, businesses and public and private organizations - to become partners in addressing community needs. Community Education is most easily recognized in the community school, a facility that is open beyond the traditional school day for the purpose of providing academic, recreation, health, social service, and work preparation programs for people of all ages.

Mission Statement

The mission of Saline Community Education is to deliver community education services of the highest quality to the Saline Area School District.

Information

CHECKredi Process for Collection of Returned Checks - Saline Area Schools collects payments from families and the community in a variety of ways, one of which is payment by check. We recognize that occasionally a parent or community member may inadvertently overdraw a checking account and a check may be returned by your bank. In order to recover these funds in a private and professional manner, we have contracted with CHECKredi, LLC, a company based in Lexington, Kentucky, for collection of returned checks. When a check is written and made payable to the district, the person writing the check agrees that, if the check is returned that it may be represented electronically on the same account, and that the fee established by law, now \$25.00 in addition to the face value, may be debited from the same account. If not collected within the initial 7 days the fee will increase to \$35.00. (Please note that all checks should include name, address and telephone number.) CHECKredi will contact you by mail and by telephone in order to make arrangements to pay before attempting to represent the check electronically. Payments may be made to CHECKredi's office by mail to P.O. Box 11848, Lexington, KY 40578. Payments of the check and fee may also be made online at www.checkredi.com using a credit card, debit card or electronic check without any additional fees. For a convenience fee, payments may be made over the telephone at (800) 239-1222 by credit card, debit card or electronic check.

Welcome

A Message from the Superintendent

Saline Area Schools Community Education Program: A Hub of Lifelong Learning
Community Education is a vital extension of the traditional school system, designed to provide academic, recreational, health, social, and work-based programs for individuals of all ages. Our mission is to foster a love of learning that extends beyond the conventional classroom and school day.

Our Philosophy

At Saline Area Schools, we believe that education is a lifelong journey. Our Community Education programs are crafted to offer everyone, regardless of age or interest, opportunities for personal growth and fulfillment. Whether you are looking to acquire new skills, engage in a hobby, improve your health, or simply enjoy recreational activities, we have something for you. Our programs are accessible to residents within our district and also to those from neighboring communities.

Join Us and Thrive

Saline Area Schools is dedicated to the relentless pursuit of excellence, as we strive to meet the needs and exceed the expectations of our families and community. We invite you to explore our diverse range of programs and take the first step towards new experiences and knowledge. By participating in our programs, you embrace the philosophy that learning is a continuous, life-enriching process. Remember, "Never stop learning, because life never stops teaching."

Discover the opportunities that await you at Saline Area Schools. Sign up for a program today and be part of a community that values education at every stage of life.

Stephen D. Laatsch, Ph.D.
Superintendent, Saline Area Schools

SAS Compass

Saline Area Schools Board of Education and Administration

The 4 Cs consist of communication, collaboration, creativity and critical thinking. The dark blue compass points identify 4 primary skills that we want all of our Saline Area Schools' students to demonstrate proficiency in by the time they graduate.

Saline Community Education is committed to the Saline Area Schools 4 Cs mission. Our youth classes promote 4 Cs skills that can be enhanced through participation in a program.

Adult Enrichment

Instant Piano for Hopelessly Busy People

In just a few hours you can learn enough secrets of the trade to give you years of musical enjoyment. Learn to play piano the way professionals do - using chords. Since this class is being held online with Zoom you will be able to sit at your piano or keyboard at home and take this course with no pressure at all. This course includes an online book and online follow up video lessons so you will be able to continue your practice and study on your own. An optional periodic online question and answer session is also included. A recording of the class is included as well. The course is partly lecture/demonstration and partly hands on instruction.

Topics include:

- How chords work in a song
- How to get more out of sheet music by reading less of it
- How to form the three main types of chords
- How to handle different keys and time signatures
- How to avoid "counting"
- How to simplify over 12,000 complex chords

Class ID: 1018. Instructor: Craig Coffman

How to Play Piano by Ear

Learn one of music's deepest mysteries: how to play songs without relying on music. A very practical presentation of music theory that includes predicting chord progressions, learning from recordings, and transposing - all expressed in everyday language. This is an ideal follow-up to the "Instant Piano" class and is open to anyone who has a basic understanding of chords on any instrument. Expand your musical horizons, free yourself from sheet-music dependence, and be the life of the party! Prior experience with chords recommended. Fee includes the online book, online follow-up lessons, a recording of the class and an optional monthly question and answer session. Class is held online using Zoom. Class ID: 1025.

Getting Paid to Talk: An Introduction to Professional Voice Over

From audio books to advertisements and beyond, we encounter recorded voices everywhere! In this one-night live online class your instructor will take you behind-the-scenes in the voice over field for a fun and realistic look at how the voice over field really works. You'll gain inside perspective on developing skills, and how to leverage your voice's strengths, your interests, and more. Because this class is live, you'll have the opportunity to ask questions! Additionally, there will be a chance for a one on one script read with the instructor at the end of the class.

About The Instructor: With more than 30 years as a voice over artist and voice over producer, your instructor is part of the team at Voice Coaches with clients including major television networks, game designers, audio book publishers and more. Instant Guitar for Hopelessly Busy People

Have you ever wanted to learn the guitar but simply find it difficult to find the time? In just a few hours you can learn enough about playing the guitar to give you years of musical enjoyment, and you won't have to take private lessons to do it. This crash course will teach you some basic chords and get you playing along with your favorite songs right away. Since this class is being held online with Zoom, you will be able to sit at home with your guitar and take this class without any pressure at all. The class includes an online book and online follow-up video lessons, so you will be able to continue your practice and study on your own. An optional periodic online question and answer session is also included. A recording of the class is included as well.

Topics Include:

- How chords work in a song
- How to form the three main types of chords
- How to tune your guitar
- Basic strumming patterns
- How to buy a good guitar (things to avoid)
- How to play along with simple tunes

Choi Kwang Do Martial Art for Adults & CKD Black Belts

Choi Kwang Do is a dynamic, innovative approach to martial arts training. It is based on traditional martial arts philosophy that emphasizes the idea of personal development being paramount, rather than sports competition. Classes provide a friendly environment to help students grow in self-discipline and self-confidence. The techniques & concepts of this art can be considered very non-traditional. Principles of modern science, derived from psychology, plyometrics, kinesiology and bio-mechanics form the basis for Choi Kwang Do. It is designed to be a devastatingly effective self-defense system that can be used in real street situations. Choi Kwang Do has been designed to enhance the student's overall health, fitness and well-being rather than cause the injuries and damage that many competitive activities do. It is a dynamic art that continually evolves as new information on health, fitness and improved training methods are developed. No sparring, "take-downs", jumping or falling. This is a continuous program. Note: added fees apply if student wishes to test for advancement (see instructor.)

Youth Recreation

Mini-Rays Pre-Swim Team

The Mini-Rays is a pre-competitive swim team. This program is designed for ages 5-9 interested in competitive swimming but not yet ready for the full demands of a competitive team. Swimmers will learn the fundamentals of competitive swimming. Swimmers will have an opportunity to compete in meets throughout the season. Our winter 2025 season will begin Monday, January 6th. Anyone interested should be able to swim one length of the pool (25 yards) repeatedly without assistance. Swimmers should be comfortable swimming on their own. NO REFUNDS will be offered after January 20th. For more detailed information or to register, please visit our team website: www.salineswimteam.com. Please also join our email list by emailing Nick Munsell at munselln@salineschools.org.

There are a maximum of 50 spots available for Mini-Rays. Registration for the winter session will open to current members first, then waitlist, then to the general public.

Prior to registration all NEW swimmers must attend one of our swimmer evaluation days.

New Swimmer evaluation: At Saline High School Natatorium
Mini-Rays Evaluation 12/7 @ Noon (Ages 10 & Under)

*A calendar with practice days and times will be posted on our website and sent to everyone on the email list as soon as it is finalized.

Saline Swim Team

Saline Swim Team (SST) is a competitive swim team offering swimmers competitive opportunities on both a local and national level. As a member of SST, swimmers will have the opportunity to learn all aspects of competitive swimming. SST serves a variety of abilities ranging from swimmers who are relatively new to competitive swimming up to swimmers competing at elite levels nationally. The season consists of daily training - up to 6 sessions per week (depending on group placement). There are several meets throughout the season. Participants should be familiar with all four competitive strokes and comfortable swimming for 50 yards (2 lengths of the pool). We also have our Mini-Rays program for those who might not be ready for our more competitive groups. The season is currently in progress. Please contact us if you are interested: munselln@salineschools.org. For more detailed information or to register, please visit our team website: www.salineswimteam.com.

Note that some groups are currently full with a waitlist.

Safety Town

Safety Town is a safety education program geared for the pre-kindergarten child. Topics include pedestrian safety, police officers, bicycle safety, riding a school bus, safety at home and play, fire safety, stranger danger, seat belts and water safety. Traffic safety is emphasized daily as children ride through our miniature "city" complete with buildings, crossing guards, and street signs. Children who complete Safety Town should be better prepared to care for themselves as a pedestrian or bus rider during their first year of school, as well as becoming more safety conscious at home and play. Safety Town has been specially designed for your child's needs - it is fun and educational. First graders may attend if they haven't before or if they need a refresher.

Parent Orientation: Orientation will be virtual this year. It is the parent's responsibility to bring their child to Safety Town and to pick them up promptly at dismissal. Parents who will have someone else picking up the child must designate that at the time of enrollment.

Facilities Rentals

The use of district facilities beyond school hours is a powerful tool for community growth. Our facilities can be rented at an hourly rate plus charges to cover staff time and supplies. Some of the most popular facilities include auditoriums, gymnasiums, and numerous classrooms and large meeting rooms. Community Education coordinates and supervises the use of school facilities.

Refund Policy

Full refunds are made when we cancel a class due to low enrollment or circumstances beyond our control.

If you cancel a class before the class begins:

- \$5 cancellation fee charged for classes \$50 and under
- \$10 cancellation fee charged for classes over \$50

Refunds will be prorated for classes held regardless of attendance. A refund request must be made prior to the start of the second class (not applicable to classes with less than three meeting dates). No refunds will be given after the conclusion of a class or program.

Quick & Easy Ways To Register

Preregistration is required for all programs. Register and pay using Visa/Discover/MasterCard/American Express/Cash/Check. Fees are payable in full at the time of registration.

- Online: salineonline.reg.eleyo.com and search for the class title.
 - In Person: Liberty School, 7265 N Ann Arbor Street, Saline MI 48176. Driver's license is required to sign in during school hours.
 - Phone: 734-401-4020, during office hours
- Register Early: The most common reason for class cancellation is low enrollment.

Returned Checks: Processed by Check Redi - See page 2.

Waitlist: Registrants will be placed on a waitlist if the class has reached its maximum enrollment. Do not attend the class unless our office contacts you.

Discounted Programs & Classes

Students who are approved to receive Free or Reduced Lunch through the Saline Food Service Department are eligible to receive 15% off Community Education Programs and classes. Please call 734-401-4020 to request your discount and to register for classes. Because classes must be financially self-supported through fees, you may be asked to pay up to the full rate under some circumstances.

Student Assistance Policy

Saline Community Education follows guidelines set forth in the Extracurricular Handbook, which can be found at salineschools.org under Extracurriculars.

Class Arrival and Departure

Please note the scheduled time of the activity so that children can be dropped off and picked up promptly. Supervision is not available beyond the scheduled times of the activity. Please be timely in dropping off and picking up children.

Participants with Special Needs

Saline Community Education will provide reasonable accommodations for participants with special needs. To maximize the participant's success in our programs, we ask that at the time of registration, or before that, you please communicate the nature of the participant's needs with our department. Please call 734-401-4020 to register for our programs. We will do our best to have participants start our programs on time, but the start day may be delayed in order to make sure accommodations are in place.

We reserve the right to revoke offers, correct errors, change prices, and make policy changes at any time.
